Dear Dr. Rahul Verma,

Thank you for honoring us by attending the prestigious international Conference HYDRO 2018 International during 19-21 December 2018.

I am specially thankful to you for Chairing TWO technical Sessions on Themes “Climate change Analysis” and “Water Resources Management and Reservoir Operation” .

I am sure, the recommendations given by your during your sessions would be of great help to the Policy makers and Stakeholder in basin planning and management.

Thank you once again.

(RAMAKAR JHA)
